About Me

My name is Pedro Miguel Pereira, I'm 25 years old, I live in the city of Aveiro and I have a Master's degree in Communication and Web Technologies from the University of Aveiro. From a very young age I've been curious about technology and what it offers to our lives, which has led me to get interested in application development, with a special focus on web development. I'm motivated, committed, and I enjoy collaborating with others, exchanging ideas with coworkers, and I always give my best in every project I'm involved in. Im also fluent in both Portuguese and English.
